

SurgiKid's Class and Tour

Brandon Yarns and Nancy Shinouda
2008-09 NC Albert Schweitzer Fellows

- Served 60 children and 200 people of Eastern North Carolina.
- Advocated for whole-family participation in a child's health care.
- Lessened anxiety over the surgical experience.
- Educated families on both procedural and sensory aspects of surgery.
- Facilitated families' previewing the SurgiCenter facility.
- Created a DVD utilizing peer modeling for use in the SurgiKids program.
- Developed a website, the SurgiKids Virtual Tour, to reach families at home.
- SurgiCenter staff has incorporated the free class and tour into their services offered, thus sustaining the program.
